

ANNUAL REPORT 2022-23

CARE HOMES MISSION SOCIETY
(Reg.No.137/2013)

ORGANISATION INTRODUCTION:

CARE HOMES MISSION SOCIETY (Reg.No.137/2013) a Non-political, Non-profit making, Secular Civil Society Organization works largely with local communities on initiatives linked to education, Health, human rights and skill development trainings. The Society was Registered under Andhra Pradesh Societies Registration Act (Act 1 of 2001).

CHMS" a well known organization in the Kurnool District of Andhra Pradesh State, India. It is a symbol of social service, rural Development, Education, compassionate response to the living conditions of the disadvantaged population of Andhra Pradesh, in the absence of basic services of qualitative education and healthcare, adequate employment and food security, effective governance and empowerment, resulting into the low social, economic and political status.

The following programmes were taken up by the organization for the year 2022-23

CHMS OLDAGE HOME: CHMS An old age home was established in 2021 the mission was one-- to care helpless and hapless. The primary objective of organization is to advocate, care,

teach and serve them with compassion, kindness and respect for bringing happiness in their lives. The goal of the CHMS is to help the rural poor Old Aged Persons by providing the shelter for spend their balance life peacefully with out any problems. With the public donations and others, the

CHMS has successfully constructed the Old Age Home at Kurnool - District with a capacity of 50 inmates. The premises of the old age home is located at Kurnool peaceful and serene surroundings. At present there are 30 inmates both male and females.

MEDICAL AND HEALTH CAMPAIGNS:

This reporting years also our society has organized health awareness camps at various villages in Kurnool surrounding areas of Kurnool District. This activity covers arranging Doctors for health check-up, health education to rural poor. The programme was organized in the months of August 2022. Particularly remote areas where health consciousness is required. During these campaigns we have created awareness on seasonal diseases and water born health problems for the betterment of rural people health.

DISTRIBUTION OF EDUCATIONAL MATERIALS:

CHMS has initiated a programme "Education for all" for the students of government school in Kurnool District of AP. Through this programme Govt. school children and unprivileged children were benefited. Children are provided one school bag kit. (School bag, Geometry box, Water Bottle). We have also created massive awareness on right to children compulsory education act 2010 to get free education at all children for their bright future. This programme was organized 4th to 5th July, 2022. We have also organise international girl child day celebrations at Kurnool.

CLOTHS DISTRIBUTION TO OLD AGE PEOPLE:

We organize cloth distribution camps in urban area of Kurnool, poor and needy people. We as an organization strongly feel about destitute and for us nobody should suffer the lack of clothes. As we are born, weather is sensitive for everyone feels heat, cold and rain. So just because they are poor we don't want them to suffer- because for us all human life is sacred. These camps are very often and have its own importance. To give an underprivileged person a pair of clothes is as good as dressing him with self-respect. With this

objective we distribute usable clothes and garments to the poorest of the poor children, women and men.

HEATHA AWARENESS PROGRAMMES:

This reporting years also our society has organized health awareness camps at various villages in Kurnool surrounding areas of kurnool District. This activity covers expert Doctors for health awareness, health education to rural poor. The programme was organized in the month of September 2022. Particularly remote areas where health consciousness is required. During these campaigns we have created awareness, Hygienic, Nutritious foods and safe drinking water for healthier living conditions.

Apart from these programme we have also conducted awareness and training programme on Life skills trainings, Literacy Programmes, social awareness programmes, women empowerment trainings etc. We are working on urban people drinking water and sanitation support for health awareness.
